

IMPORTANT: The wording of this Addendum forms part of the ICBC Autoplan Optional Policy, replacing the corresponding wording in the subconditions described below.

Pages 2–3

Division 3 – General Terms and Conditions

3.2 Policy does not apply – Unless otherwise provided, this policy does not apply and no coverage will be provided in respect of

- (a) a vehicle licensed under section 9 of the Motor Vehicle Act while the vehicle is being operated off a highway,
- (b) a trailer while being drawn otherwise than by vehicle power or human power,
- (c) a vehicle being operated by remote control without a driver in the vehicle,
- (d) an aircraft except when the aircraft is being drawn as a trailer on a highway,
- (e) a vehicle being used in a contest, show or race, or in advanced or performance driver training, if
 - (i) the activity is held or conducted on a track or other location temporarily or permanently closed to all other vehicle traffic, and
 - (ii) there exists an element of race or speed test, which means driving at high speed, and includes passing maneuvers, driving in close proximity to another vehicle or assessing vehicle limitations in speed, acceleration, turning or braking,
- (f) an amphibious vehicle when being used in or upon water, when docked or floating in water, or when being launched into or landed from water, or
- (g) a vehicle that is fitted with wheels of the crawler type, including track conversion kits, rubber track conversion systems and rubber tracked crawlers, while the vehicle is being operated off a highway, except if that vehicle is
 - (i) licensed under section 10 of the Motor Vehicle Act, or
 - (ii) snowmobile or a snow vehicle.

3.3 Interpretation Act – Section 25 (3) and (4) of the Interpretation Act do not apply in respect of renewal of this policy, and this policy is not in force in the interval between its expiry and renewal. This policy is not in force at any time that the owner's certificate to which it relates is not in force.

3.6 Exclusion –

- (a) The Corporation is not liable
 - (i) under this policy in respect of injury, death, loss or damage arising, directly or indirectly, out of radioactive, toxic, explosive or other hazardous properties of nuclear substances within the meaning of the Nuclear Safety and Control Act (Canada), or
 - (ii) under Division 5, 6 or 7 of this policy in respect of loss or damage arising, directly or indirectly out of a declared or undeclared war or insurrection, rebellion or revolution.
- (b) Subsection (a) (i) does not apply to the carriage of radioisotopes that are
 - (i) packaged and labelled in accordance with the Transportation of Dangerous Goods Act (Canada), and
 - (ii) to be used for medical treatment, research, photography, x-ray or other similar purposes using radioisotopes.
