

Health Care Provider Webinars

Sign up sheet

As we have now entered our sixth month with Enhanced Care, we would like to provide an Enhanced Care Refresher to our health care providers and hear directly from you.

Enhanced Care Refresher Webinar: these discipline-specific webinars will discuss what Enhanced Care means for you, provide an overview of Enhanced Care benefits, outline the process for interacting with ICBC, and address frequently asked questions.

ICBC Vendor Number webinar: this webinar is open to all administrators and health care providers who treat ICBC customers, regardless of whether they already have a vendor number. We'll provide information on applying for and updating an ICBC vendor number.

Please submit questions about ICBC Enhanced Care, treating ICBC customers, or interacting with ICBC in advance of the webinars to your professional association or to the: [Healthcare Provider Feedback form](#).

There are limited spots to attend live so please only sign up for sessions you are able to attend. If you are unable to join, we'll record the sessions and post them on our Health Services site.

Please sign up using the most appropriate link below.
