

Which **invoicing/reporting** system do I use?

Are you treating or assessing a patient whose motor vehicle accident occurred pre-April 1, 2019?

Yes

No

Did you provide a treatment pre-April 1 that you are invoicing for?

Yes

No

Pre-April 1 fees apply.

Use previous invoicing and reporting methods.

New fees apply.

Invoice using HCPIR application.
(See your health care provider page for fee table)

Note: If this is an initial assessment, complete assessment visit and report using specified fee and report template. Invoice using HCPIR application. *(Initial visit counts as one pre-authorized treatment.)*
