

Staff training qualifications are a requirement for Participants in ICBC's Collision and Glass Repair Programs. As part of that process, your name, training qualifications, date of employment, trade qualification certificate number or apprentice number (collectively, the "Personal Information") will be uploaded to the Entegral platform, which is housed in the United States. ICBC cannot store your Personal Information outside of Canada without your consent.

ICBC is authorized to collect the Personal Information pursuant to section 26 of the Freedom of Information and Protection of Privacy Act for the purposes of reviewing staff qualifications and qualifying the repair facility as a Participant in ICBC's Collision and Glass Repair Programs.

I, the undersigned,

Consent to

Do not consent to

- i. the indirect collection and use of my Personal Information by the Insurance Corporation of British Columbia; and
- ii. the disclosure, storage, and access of my personal information in the Entegral platform which is located outside of Canada in the United States.
