RE: Towing fuel surcharge – effective July 1, 2016

The new [towing fuel surcharge](#) is now posted on ICBC's Business Partner's page under July 2016. The fuel surcharge allowance is for tow companies with active ICBC supplier numbers.

The new fuel surcharge is **10.5%** and is effective on all claims with a date of towing service on or after **July 1, 2016**.

The fuel surcharge amount must be entered in the OTHER, EXPLAIN CHARGES area on the CL14C, Towing Invoice. Include the amount of the fuel surcharge in the "Total Towing Charges" box.
