RE: Towing fuel surcharge – effective October 1, 2018

The new towing fuel surcharge and quick reference towing distance guides are now posted on ICBC's Business Partner's page under October 2018. The fuel surcharge allowance is for tow companies with active ICBC supplier numbers.

The new fuel surcharge increases to **16.0%** and is effective on all claims with a date of towing service on or after **October 1, 2018**.

The fuel surcharge amount must be entered in the OTHER, EXPLAIN CHARGES area on the CL14C, Towing Invoice. Include the amount of the fuel surcharge in the "Total Towing Charges" box. Or alternatively in the Fuel Surcharge Percentage box on the CL14CA, Electronic Towing Invoice
