RE: Towing fuel surcharge – effective July 1, 2019

The new towing fuel surcharge and quick reference towing distance guides are now posted on ICBC's [Towing Business Partner's page](#) under July 2019. The fuel surcharge allowance is for tow companies with active ICBC supplier numbers.

The fuel surcharge will remain unchanged at 15.5% and is effective on all claims with a date of towing service on or after **July 1, 2019**.

The fuel surcharge amount must be entered in the OTHER, EXPLAIN CHARGES area on the CL14C, Towing Invoice. Include the amount of the fuel surcharge in the "Total Towing Charges" box. Or alternatively in the Fuel Surcharge Percentage box on the CL14CA, Electronic Towing Invoice.

If you have any questions, please contact Supplier Programs & Administration at 604-777-4513 or toll-free at 1-877-921-3311 or via email at carshop@icbc.com.
