

Commercial (Truck) Body and Mechanical Rate

Mechanical Rate per hour	Note
\$117.00	Applies only to work on the engine, transmission, clutch, flywheel, and differential (gear work) of commercial vehicles. Does not apply to repairs to the cooling system, suspension and related items (these are to be paid using the body labour and materials rate).
Mechanical Repair Time	Use the times outlined in Original Equipment Manufacture (OEM) warranty flat rate manual

* Please refer to ICBC Claims Procedures for more information
