

Structural Aluminum Repair Rates

Applies to any CL14 estimates:

- created on or after January 1, 2015

Structural Aluminum Repair Rates
20%

Note: calculated by adding 20% to the applicable labour rate for the specific shop type per structural aluminum part repair or replacement operation (calculated by multiplying the applicable structural repair differential by the repair or replacement hours). Entered as a sublet repair.

* Please refer to ICBC Claims Procedures for more information
