

# ICBC Replacement Vehicle Daily Rental Rates and Classes

When considering the customer's rental vehicle needs, the customer's policy (including limits with respect to rental coverage) needs to be reviewed.

The customer must be advised that the rental vehicle will be in a comparable rental class (e.g. make, model, size) to the vehicle they own. It is within ICBC's discretion to determine the type of rental vehicle.

This rental rate document contains examples of vehicle makes and models listed by rental class with the corresponding daily rental rates. There may be other rental vehicles offered by our preferred rental suppliers.

Specialty vehicles (denoted by an asterisk (\*)) are not offered to customers at the daily rental rates. Customers who wish to rent a specialty vehicle may be required to pay additional charges which will not be covered by ICBC. Examples of specialty vehicles include Mini Cooper, Smart ForTwo, and BMW 7 Series.

### **Invoicing structure of the preferred supplier agreement between ICBC and Budget:**

Under direct rental invoicing, vehicle availability is guaranteed with no-charge vehicle size upgrades – when appropriate vehicle size is unavailable.

Budget will provide a pick-up and drop-off service to the renter within one hour of rental assignment, and will ensure all Budget locations have after-hours drop boxes available. Vehicle delivery services and vehicle drop-off at the repair facility will be provided if requested.

Budget will provide all pick-up and drop-off services within 30 kilometres at no charge to ICBC.

Budget will permit renters to travel to the USA with the rental vehicle.

Budget will guarantee vehicle availability; during major events 24 hours notice may be required.

Budget will accept vehicle drop-off at any Budget location in BC at no additional charge to ICBC.
